INDUSTRIAL

4 PAG.

Atmosfera vintage e anticonformista, che si traduce in una grande libertà e serenità di pensiero. Questo è lo stile industrial declinato nell'home living, perfetto recupero di antichi edifici industriali.

The vintage unconventional atmosphere translates into great freedom. That is industrial style.

LOFT

62 PAG.

Tutto vicino, intorno a noi. In una casa loft, praticità ed estetica si fondono per formare un nido unico, da vivere in assoluto relax.

Very close around us. In a loft practicality and aesthetics come together to form a single nest, living in perfect relax.

URBAN

114 PAG.

Lo stile Urban presenta atmosfere sofisticate, luminose, linee minimali e colori neutri, che lasciano entrare in casa la luce e la vita della città.

A sophisticated, bright, atmosphere. Minimal design and neutral colours that let the light and life of the city outside into the home.

ELEGANT

164 PAG.

Luoghi carichi di storia ed emozioni sono arredati con mobili che sappiano esaltare la modernità, nel pieno rispetto dell'eleganza del passato.

Full of history and atmosphere from times gone by must be furnished with skill using modern furniture that respects the past.

INDUSTRIAL

22 PAG.

PHILIP .92

Uno stile elegante, senza tempo, adatto per entrare nel salotto moderno come in quello tradizionale, Philip nella versione con bracciolo da 92 cm, è rassicurante, morbido e confortevole.

6 PAG.

PHILIP .77

La leggerezza delle forme e la personalità delle linee del suo bracciolo creano nuove dinamiche costruttive.

The form lightness and the personality of his lines create new constructive dynamic.

52 PAG.

LOGAN

La linea minimale, i dettagli e le finiture di pregio conferiscono a Logan un fascino e uno stile inconfondibile, tipico di un made in Italy di qualità.

The minimal design, the details and fine finishes give Logan a charm and unique style, typical of Made in Italy quality.

36 PAG.

MARVIN

La comodità e la modernità, insieme, senza compromessi, sono raccolte in un unico divano dalle caratteristiche poliedriche. Marvin è davvero tutto questo.

Comfort and modernity, together, without compromise, are collected in a single sofa with versatile features. Marvin is really all about.

CARATTERISTICHE: Philip .77 ha la struttura in legno con imbottitura in poliuretano espanso di densità 21/40 kg/mc. Il cuscino di schienale è realizzato in misto piuma e il cuscino di seduta in poliuretano espanso densità 30 kg/mc. Per facilitare la sfoderabilità, il bracciolo è fissato alla base tramite volantini. Tutti gli elementi sono sempre completamente finiti e sfoderabili. Disponibile nella versione a divano finito o componibile, nella versione componibile l'unione degli elementi avviene mediante comodi agganci in metallo a scomparsa posizionati sotto la struttura. L'innovativo bracciolo di Philip .77 grazie alle sue dimensioni e la particolare cucitura crea un gioco di forme e spazi unico e alternativo. Possibilità di rivestimento in coordinato tra struttura e cuscinatura.

FEATURES: Philip .77 has a wooden structure covered with polyurethane foam padding density 21/40. The back cushion is made of mixed feather and the seat cushion in polyurethane foam density 30kg/mc. In order to remove covers easily, the armrest is fixed to the base with threaded pins and screws. All the elements are completely finished and have removable covers. Available both as a finished sofa and as a modular version, in case of composition all the elements are provided with practical hidden metal hooks placed under the frame. The innovative Philip .77 armrest, thanks to its shape and its peculiar stitching, plays beautifully with space and dimension in a unique and alternative way. Available with coordinated covering between structure and seat/back cushions.

MARVIN

DI SERIE MARVIN VIENE FORNITO CON PIEDE IN PLASTICA FINITURA LEGNO COLORE BRONZO VINTAGE H 5 CM.

P TOTALE CM 101/155 – H TOTALE CM 81/99

P SEDUTA CM 54 – H SEDUTA CM 45

L BRACCIOLO CM 20 – H BRACCIOLO CM 60

CARATTERISTICHE: Il modello Marvin è realizzabile sia in versione componibile che a divano finito, entrambe con la possibilità di essere dotate di un meccanismo relax elettrico che permette di ottenere delle comodissime sedute relax. Tutti gli elementi sono forniti di serie di un alza schienale regolabile in altezza tramite un pratico meccanismo a cricchetto a scomparsa che permette con un semplice movimento di alzare lo schienale di 18 cm. In caso di composizione, gli elementi sono dotati di comodi agganci in metallo posizionati sul fianco della struttura. I cuscini di seduta sono realizzati in poliuretano espanso di densità 30 Kg/mc, i cuscini di schienale sono realizzati in poliuretano espanso densità 16 Kg/mc. Tutti gli elementi sono completamente sfoderabili e per facilitare la sfoderabilità il fianco della struttura non è completamente rivestito, pertanto, nella versione componibile si consiglia di terminare sempre con un laterale, penisola o il pouf terminale.

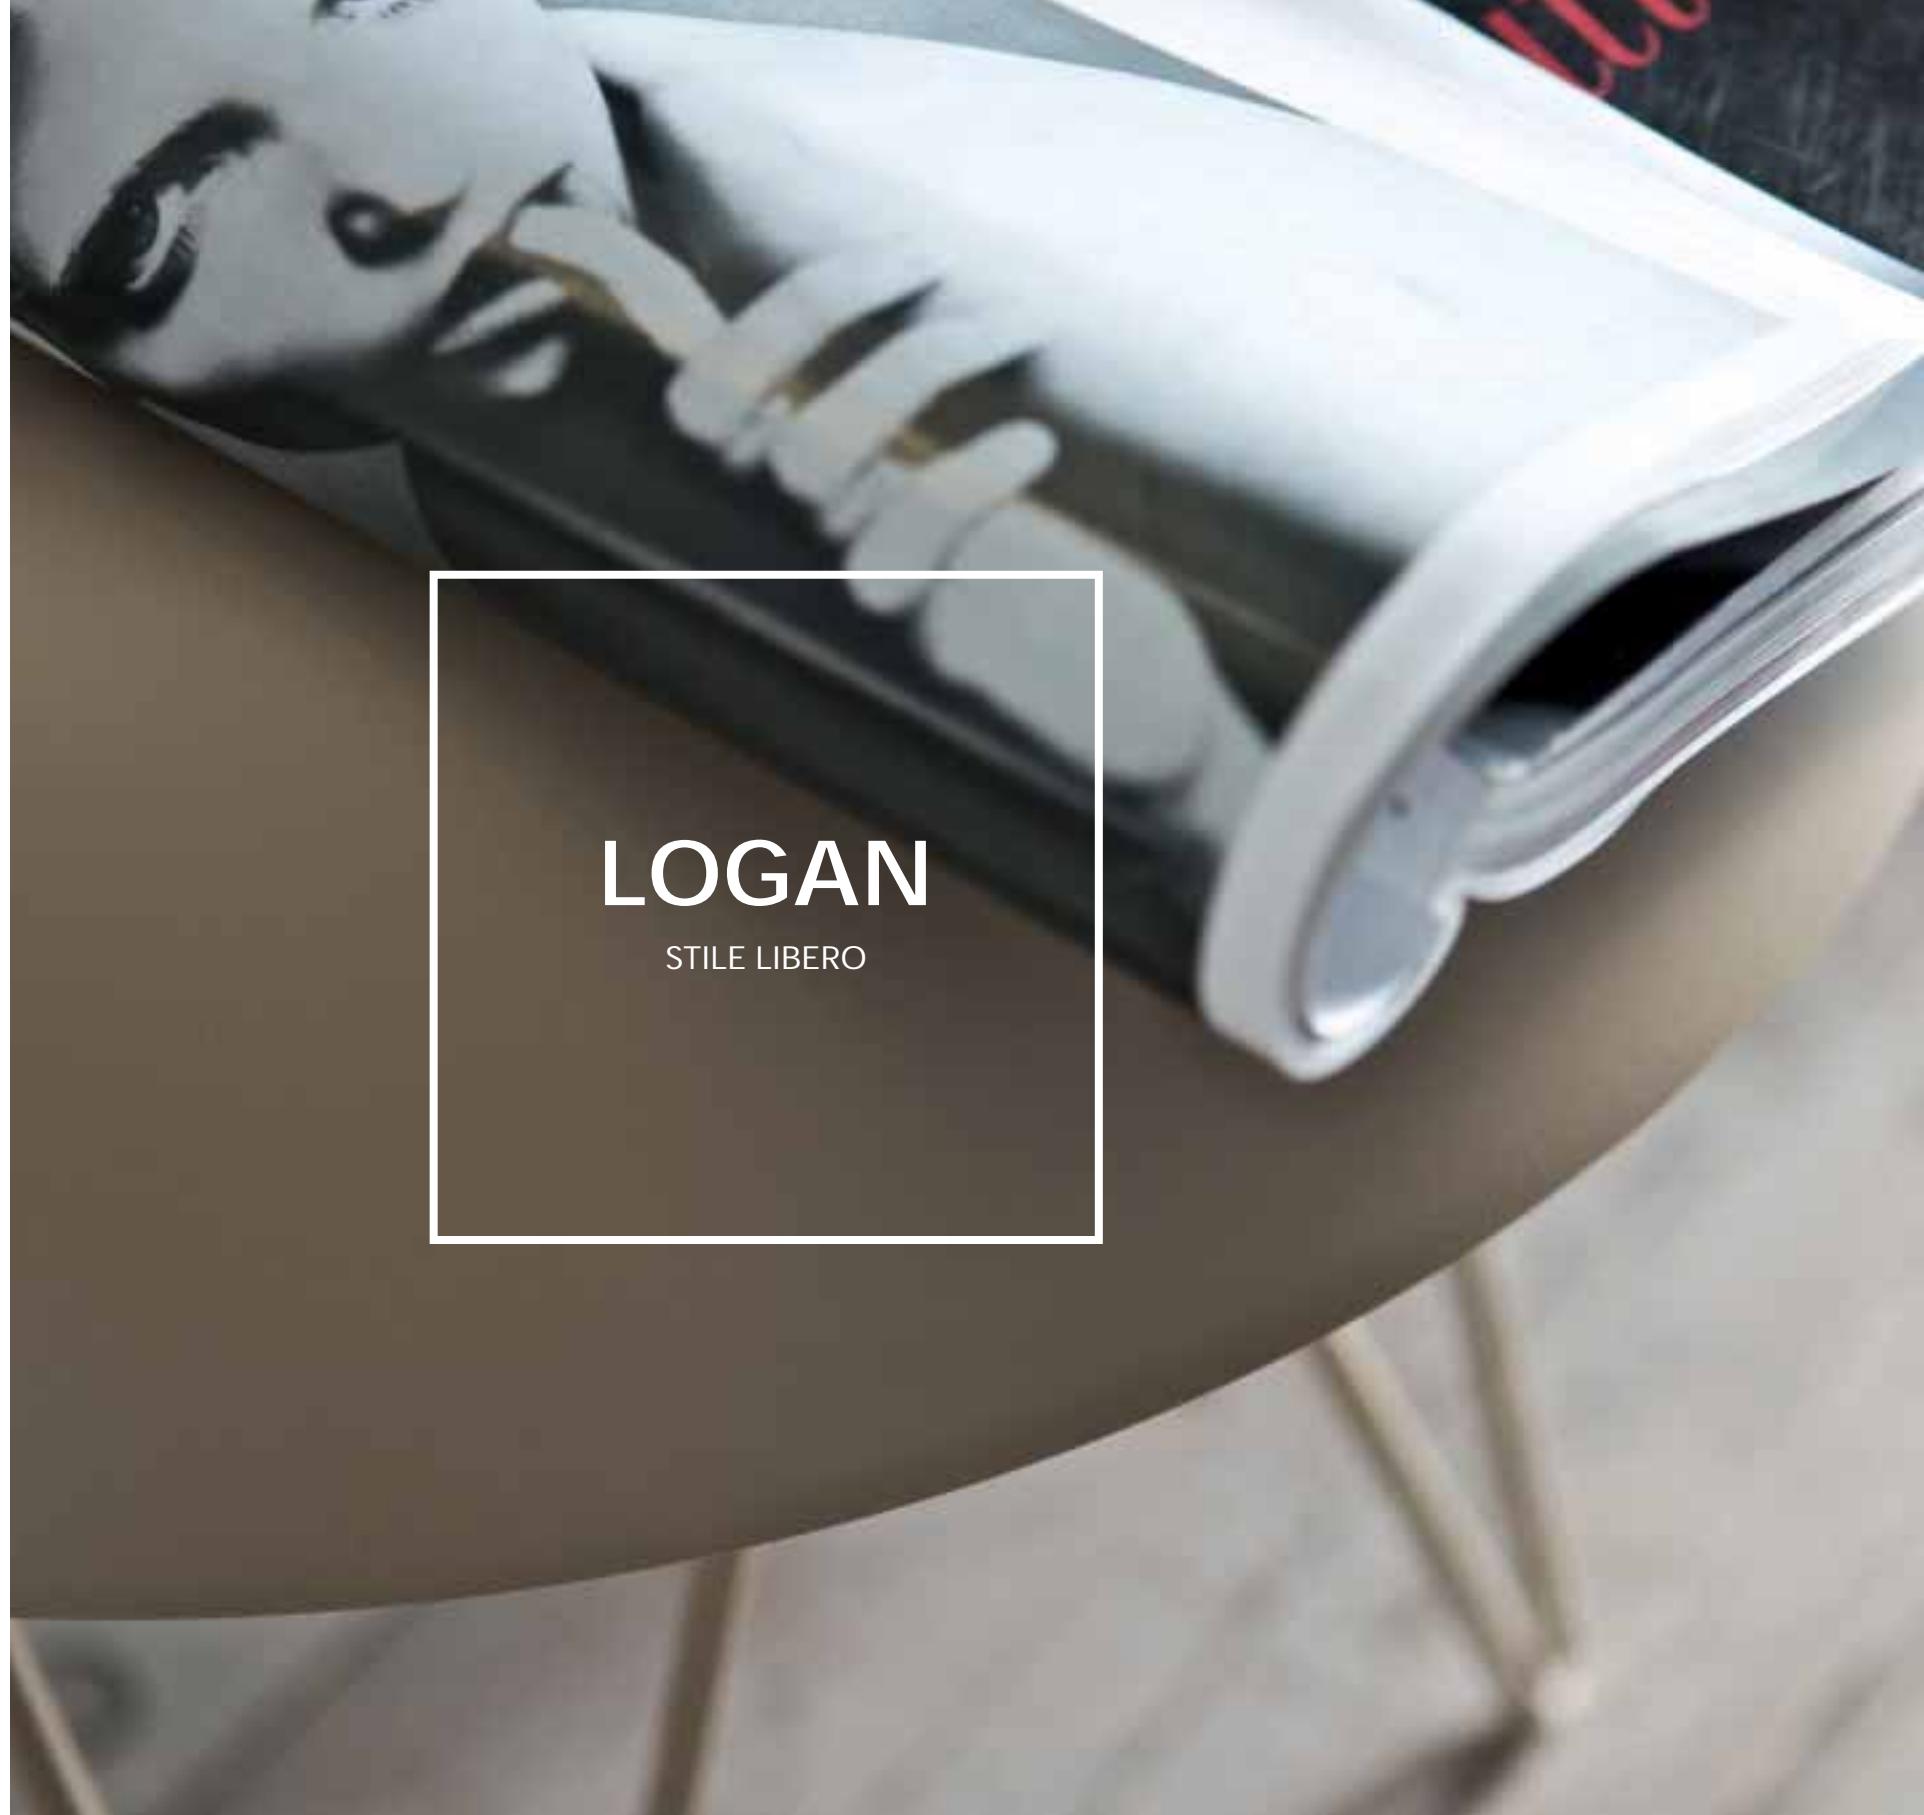

FEATURES: the model Marvin is available both as in modular version and as finished sofa, both versions may be equipped with an electric relax mechanism which allows to obtain maximum comfort and relax in the seating. All the elements are supplied as standard with height-adjustable backrest, by a practical retractable ratchet mechanism it is possible to raise the backrest up to 18 cm with a simple movement. In case of composition, all the elements are provided with practical hidden metal hooks placed at the side of the structure. The seat cushions are made of polyurethane foam density 30 kg/mc, the back cushions are made in polyurethane foam density 16 kg/mc. All the elements are completely removable, therefore in the modular version we recommend to complete the composition with a side element, peninsula or terminal pouf.

AS STANDARD MARVIN IS SUPPLIED WITH PLASTIC FEET WITH WOODEN FINISHING OR IN COLOR BRONZE VINTAGE H 5 CM.

Per sganciare gli elementi è sufficiente sollevarne uno. Cuscini di schienale in misto piuma e cuscini di seduta in poliuretano espanso densità 30 Kg/mc. Disponibile nella versione divani finiti o componibile. I braccioli realizzati in poliuretano espanso densità 30 Kg/mc, sono fissati alla base tramite del velcro. Logan è caratterizzato da una elegante e particolare cucitura presente nei cuscini e nei braccioli. Tutti gli elementi sono sfoderabili, completamente rivestiti e finiti permettendo di scomporre e ricomporre a piacimento la composizione. È possibile richiedere il coordinato tra struttura e cuscinatura compreso il bracciolo.

FEATURES: Wooden frame with expanded polyurethane foam padding 21 kg/m³ density. Back cushions in mixed feathers, and seat cushions in 30 Kg/m³ density expanded polyurethane foam. Available in the single, non-modular sofa version or as a modular element. The armrests, made of 30 Kg/m³ density expanded polyurethane foam, are attached to the base with velcro. In the modular version the elements are joined together by means of practical sturdy concealed catches positioned underneath the frame. To release the elements simply lift one of them. Logan is characterized by the elegant stitching of the cushions and armrests. All elements have a completely removable cover and can be separated into individual elements. Logan is available with coordinated structure, cushion and armrest covers.

THE STANDARD LOGAN MODEL IS DELIVERED WITH 15 CM HIGH STEEL CHROMED FEET.

TOT. DEPTH 94 CM – TOT. HEIGHT 83CM

SEAT DEPTH 57 CM - SEAT HEIGHT CM 41

ARMREST WIDTH CM 30 - ARMREST HEIGHT CM 50

64 PAG.
DYLAN

Dylan ha tutto quello che puoi chiedere ad un divano comodo: seduta confortevole, schienale avvolgente, bracciolo alto e meccanismo relax che consente il massimo del riposo.

Dylan has all you can request from a comfortable sofa: comfortable seat, comfortable backrest, high armrest and relax mechanism for a maximum comfort.

80 PAG.
NEVADA

Un ampio bracciolo dalle linee raffinate e morbide, cuscini di seduta e di schienale che regalano un relax ottimale e un sostegno ergonomico e riposante.

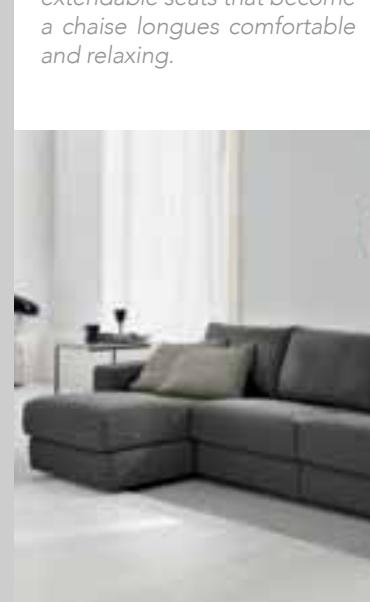

A wide armrest with refined lines and soft, seat and back cushions that give optimum relaxation and an ergonomic support and restful.

90 PAG.
SLIDE

Slide è un divano con caratteristiche poliedriche: due misure di braccioli per avere la stessa comodità anche quando lo spazio non è abbastanza; sedute allungabili che diventano delle chaise longue confortevoli e rilassanti.

Slide is a sofa with versatile characteristics: two armrests to obtain the same comfort even when the space is not enough; extendable seats that become a chaise longues comfortable and relaxing.

102 PAG.
LONDON

Le linee generose e squadrate di London sono riassunte dalla considerevole dimensione dei braccioli. London è disponibile in versione componibile e diverse misure di divano lineare, inclusa la versione divano con il letto.

A decisive, unique design: the strong, square line of London is evident in the impressive armrests. Ideal both for compositions in spacious living rooms, and as a solution for smaller environments.

NEVADA

DI SERIE NEVADA VIENE FORNITO CON IL PIEDE IN PLASTICA FINITURA BRONZO VINTAGE 001 H 4 CM.

P TOTALE CM 95 – H TOTALE CM 86
P SEDUTA CM 55 – H SEDUTA CM 44
L BRACCIOLIO CM 28 – H BRACCIOLIO CM 59

CARATTERISTICHE: Nevada è disponibile a divano finito o componibile entrambi nella versione fissa o letto. La versione letto è fornita di rete eletrosaldata da 140 e 160 cm di larghezza e materasso in poliuretano espanso H 11 e lungo 190 cm. L'apertura del letto si ottiene con dei semplici movimenti senza togliere i cuscini di sedia che rimangono fissati alla struttura. Nella versione componibile l'unione degli elementi è garantita da comodi agganci in metallo posti sul fianco della struttura. La sedia e il cuscino di schienale sono realizzati in poliuretano espanso indeformabile, rispettivamente nelle densità di 30 Kg/mc per la sedia e 18 Kg/mc per il cuscino di schienale. Possibilità di rivestimento in coordinato tra cuscinatura e struttura.

FEATURES: Nevada is available as a single, non-modular sofa or as a modular element both in the fixed and sofa bed versions. The sofa bed version is provided with a 140 and 160 cm wide electro-welded bed base and an 11 cm high and 190 cm long expanded polyurethane foam mattress. The opening of the bed by simple movements without removing the seat cushions remain attached to the structure. The elements are conveniently held together by metal hooks located on the side of the structure. The seat and backrest cushions are made from respectively 30 Kg/m³ and 18 Kg/m³ density, undeformable expanded polyurethane foam. Available as optional: coordinated cushioning and structure covers.

AS STANDARD NEVADA IS SUPPLIED WITH PLASTIC FEET WITH WOODEN FINISHING IN COLOR BRONZO VINTAGE 001 H 4 CM.

TOT. DEPTH 95 CM – TOT. HEIGHT 86 CM
SEAT DEPTH 55 CM - SEAT HEIGHT CM 44
ARMREST HEIGHT CM 59 - ARMREST WIDTH CM 28.

LONDON

DI SERIE LONDON VIENE FORNITO CON IL PIEDINO ANGOLARE IN LEGNO COLOR BRONZO VINTAGE H 5 CM.

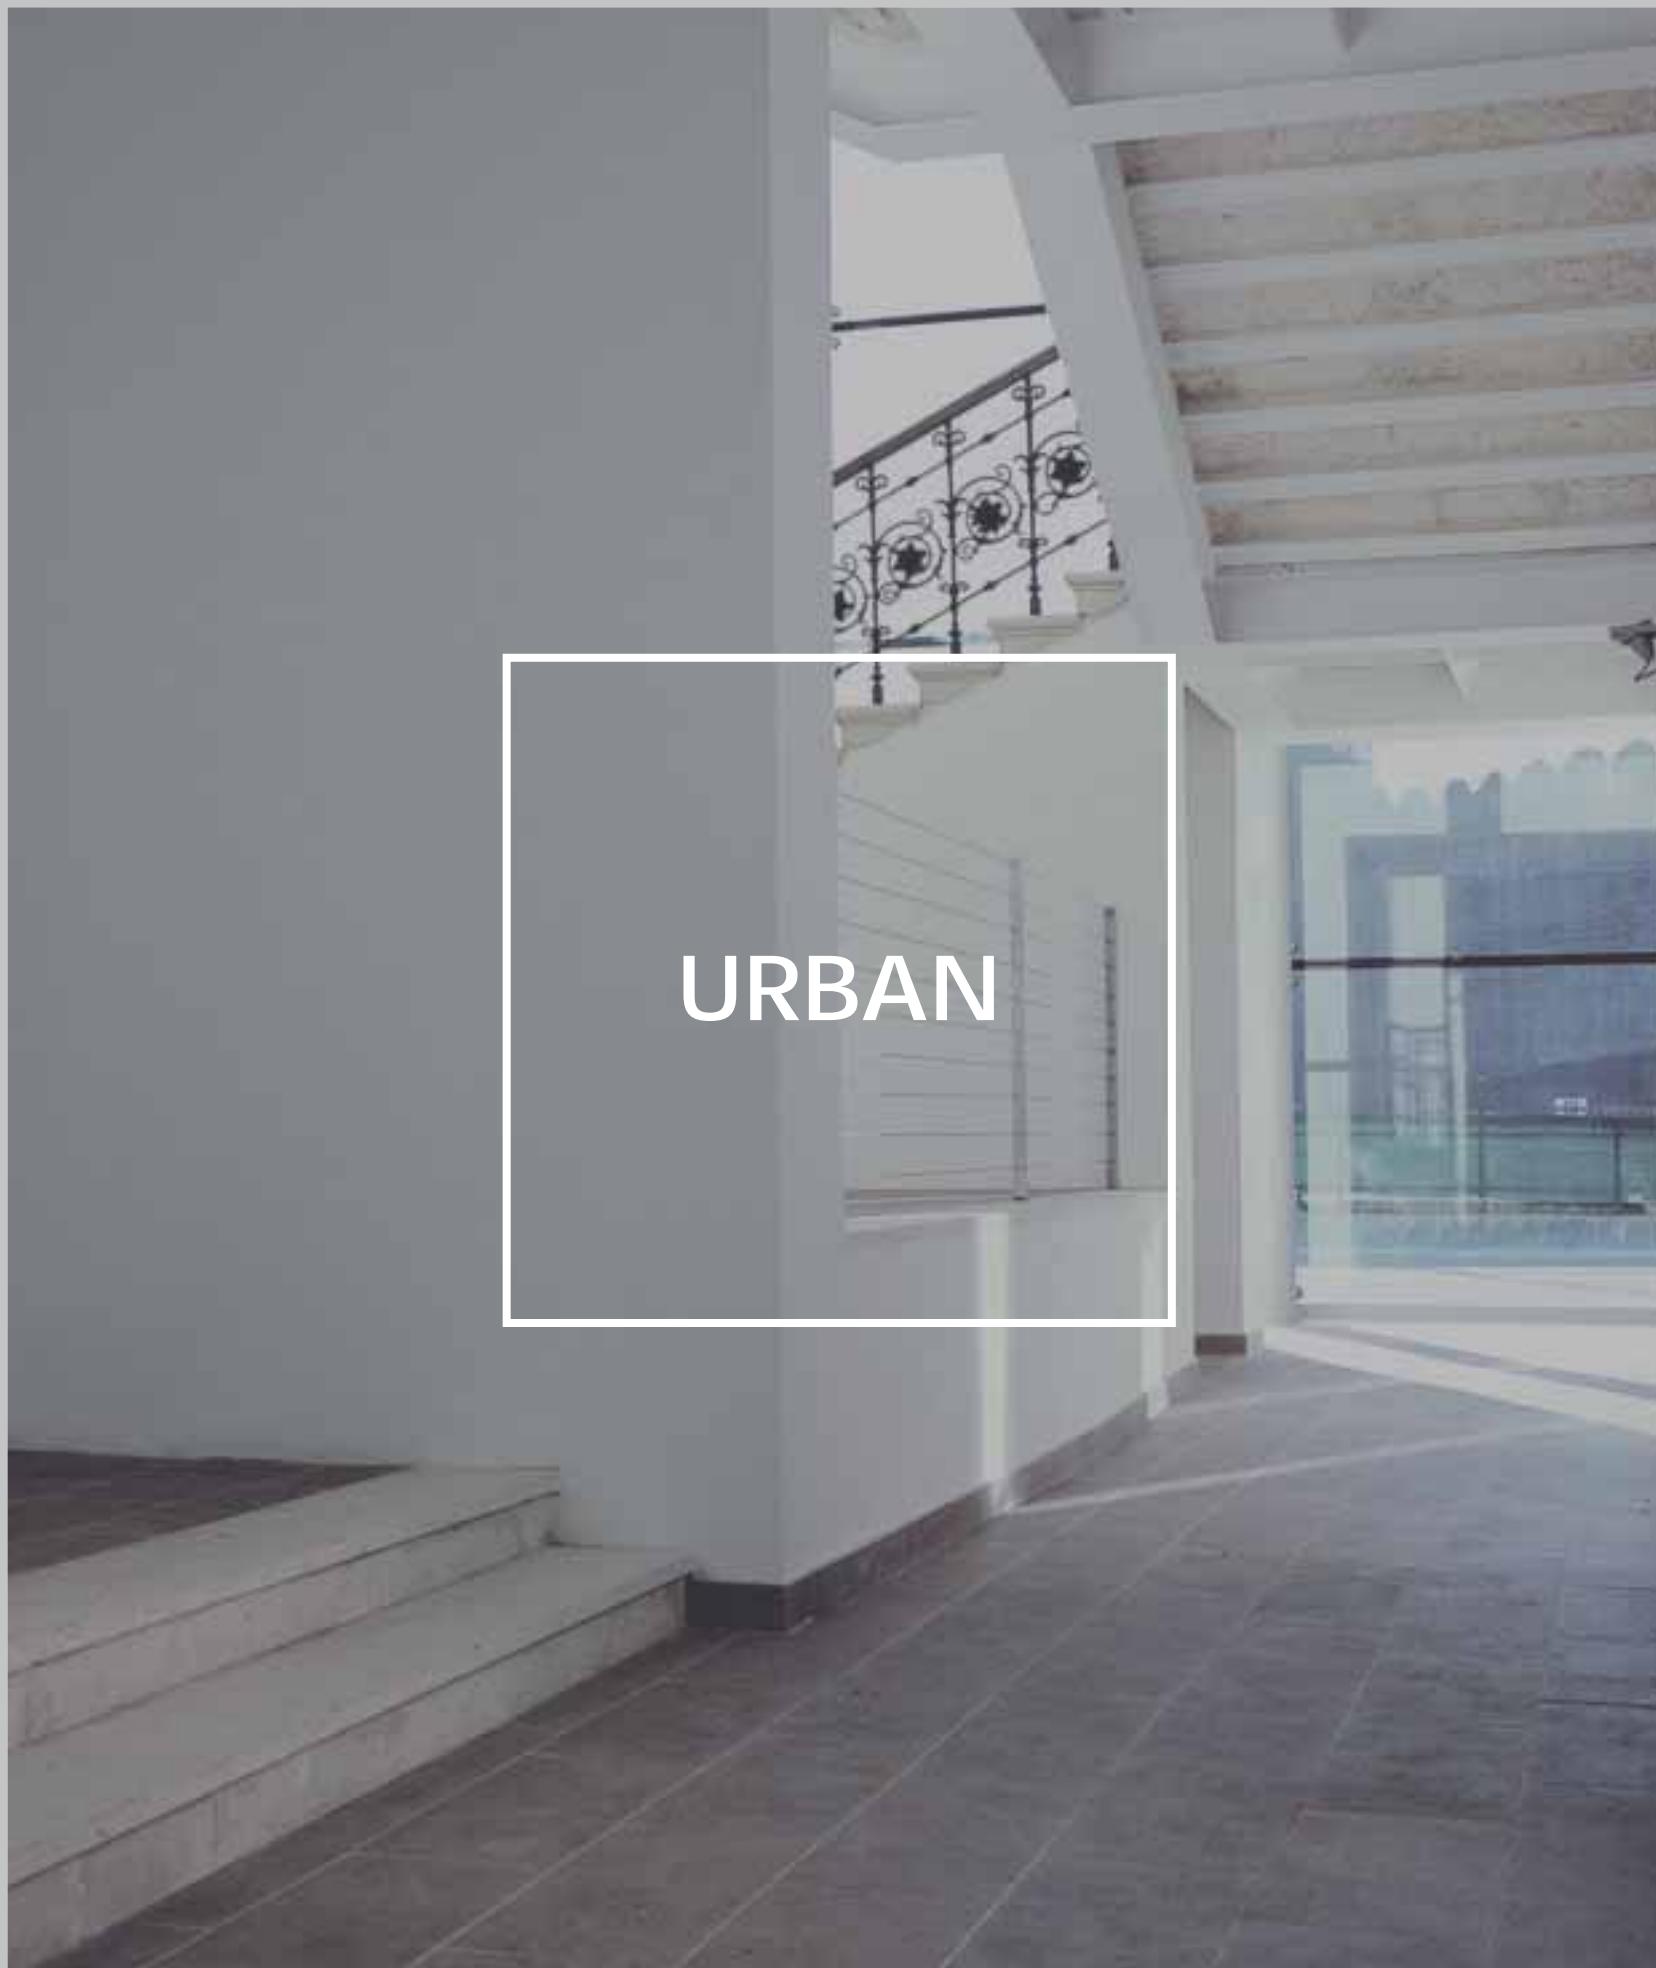

P TOTALE CM 96 – H TOTALE CM 80
P SEDUTA CM 60 – H SEDUTA CM 42
L BRACCIOLO CM 25 – H BRACCIOLO CM 54

CARATTERISTICHE: Il modello London è disponibile a divano finito o componibile entrambi nella versione fissa o letto. L'unione degli elementi avviene mediante comodi agganci in metallo posizionati sotto la struttura. La versione letto è fornita di rete eletrosaldato da 120 e 140 cm di larghezza e materasso in poliuretano espanso da H 11 e lungo 195 cm. L'apertura del letto si ottiene con dei semplici movimenti senza togliere i cuscini di seduta che rimangono fissati alla struttura. Cuscino di schienale e seduta in poliuretano espanso di densità rispettivamente 18 e 30 Kg/mc. Completamente sfoderabile. È possibile richiedere il coordinato tra struttura e cuscinatura.

FEATURES: The backrest and seat cushions are made from expanded polyurethane foam with a 18 and a 30 Kg/m³ density respectively. The covers are completely removable. The sofa bed version is provided with a 120 and 140 cm wide electro-welded bed base and a 11 cm high and 195 cm long expanded polyurethane foam mattress. Coordinated structure and cushioning is available on request. The elements are conveniently held together by metal hooks located on the structure's side.

THE STANDARD LONDON MODEL IS DELIVERED WITH 5 CM HIGH, BRONZO VINTAGE COLOURED SOLID WOOD CORNER FEET.

CARATTERISTICHE: Il modello Palace è disponibile sia in versione componibile che a divano finito, entrambe con la possibilità di essere dotate di un meccanismo elettrico che permette di ottenere delle comodissime sedute relax. Il meccanismo è azionabile tramite pulsanti nascosti posizionati sul fianco del cuscino di seduta. La sedia è in poliuretano espanso di densità 30 Kg/mc, i cuscini dello schienale sono imbottiti con fibra di poliestere suddivisa in scompartimenti. Il bracciolo sagomato da 22 cm è fissato alle strutture mediante baionette. L'unione degli elementi avviene tramite comodi agganci in metallo posizionati sul fianco della struttura. Nel caso di composizione con l'angolo facciamo presente che non è possibile aprire contemporaneamente eventuali elementi relax attaccati ad entrambi i fianchi dell'angolo stesso. Palace è completamente sfoderabile.

FEATURES: Palace is available both as a modular unit and as a single, non-modular sofa. Both version can be equipped with an electric mechanism that adjusts the seating angles to obtain a variety of very comfortable positions. This mechanism is operated by means of concealed buttons located at the side of the seat cushion. The seat cushion is made from expanded polyurethane foam with a 30 Kg/m³ density, the backrest cushions are from polyester fibre that is divided into sections. Also available: a 22 cm moulded armrest that is fixed to the structures with a bayonet catch. The elements are conveniently held together by metal hooks located on the structure's side. Please note: on corner arrangements it is not possible to simultaneously open "relax" elements that may be attached to both sides of the corner elements. The covers are completely removable. To allow for easier cover removal, the structure's side is only partially covered. Consequently, the modular version should always end with the armrest or the shaped end element.

THE STANDARD PALACE MODEL IS DELIVERED WITH 3.5 CM HIGH BLACK PLASTIC HIDDEN FEET.

P TOTALE CM 86 - H TOTALE CM 84
P SEDUTA CM 52 - H SEDUTA CM 48
L BRACCIOLO CM 20 - H BRACCIOLO CM 70

CARATTERISTICHE: Optional è disponibile il piede in metallo a forcella tagliato a laser H 17 cm finitura cromato o piedi in legno massello di faggio in finitura rovere cenere 030 o in finitura canaletto 031 H 14 cm, con l'utilizzo dei piedi in legno tutte le quote di altezza degli elementi sono 3 cm più basse da quelle indicate. La struttura è realizzata interamente in legno ricoperta da poliuretano con densità diverse 25/30/50 kg/mc. Il cuscino di seduta è realizzato in poliuretano espanso indeformabile di densità 30 kg/mc, il cuscino di schienale è realizzato in misto piuma. Il modello Duke è caratterizzato dalla forma a pozzetto e dai cuscini di seduta e schienale indipendenti, realizzabile sia in versione componibile che a divano finito. In caso di composizione, gli elementi sono dotati di comodi agganci in metallo posizionati sotto la struttura. Il modello Duke è completamente sfoderabile, rivestibile in tessuto, ecopelle e microfibra e i fianchi di tutti gli elementi sono finiti e quindi predisposti per eventuali richieste di fianchi a vista. Possibilità di rivestimento in coordinato tra cuscinatura e struttura.

FEATURES: As an option the model comes with metal feet forked-shape laser cut H 17 cm with chrome finishing or solid beech wooden feet in rovere cenere finishing 030 or in canaletto finishing 031 H 14 cm. With the choice of wooden feet the height of all the elements are 3 cm lower than those listed above. The structure is made entirely of wood covered with polyurethane foam different densities 25/30/50 kg/mc. The seat cushion is made of undeformable polyurethane foam density 30 kg/mc, the back cushion is made of mixed feather. Duke is characterized by a tub chair shape and by independent seat and back cushion, available both as a modular version and as finished sofa. In case of composition, all the elements are provided with practical hidden metal hooks placed under the frame. Model Duke has completely removable covers and can be upholstered with fabric, synthetic leather and microfiber. The lateral sides of all the elements are finished and already arranged at sight in case of customer request. Available with coordinated covering between structure and seat/back cushions.

AS STANDARD DUKE COMES WITH METAL FEET, FORKED-SHAPE LASER-CUT, BRONZE VINTAGE FINISHING 001 H 17 CM.

Il cuscino di schienale è realizzato in poliuretano espanso di densità 18 Kg/m³. È disponibile un bracciolo da 23 cm fissato alle strutture mediante baionette. L'unione degli elementi avviene mediante comodi agganci in metallo posizionati sul fianco della struttura. Modello completamente sfoderabile. Per facilitare la sfoderabilità il fianco della struttura non è completamente rivestito, pertanto, nella versione componibile si consiglia di terminare sempre con il bracciolo o con il terminale angolo.

FEATURES: Elvis is available both as a modular and as a single, nonmodular sofa. Both versions can be equipped with an electric mechanism that adjusts the seating angles to obtain a variety of very comfortable positions. This mechanism is operated by means of concealed buttons located at the side of the seat cushion. The seat cushion is made from expanded polyurethane foam with a 30 Kg/m³ density, the backrest cushion is made from expanded polyurethane foam with a 18 Kg/m³ density. Also available: a 23 cm armrest to be fixed to the structures with a bayonet catch. The elements are conveniently held together by metal hooks located on the structure's side. The covers are completely removable. To allow for easier cover removal, the structure's side is only partially covered. Consequently, the modular version should always end with the armrest or the end corner element.

THE STANDARD ELVIS MODEL IS DELIVERED WITH 3.5 CM HIGH BLACK PLASTIC HIDDEN FEET.

BRENT

Un design sobrio e gradevole studiato per ottenere un ottimo comfort di seduta ed un perfetto appoggio lombare. Queste le qualità che contraddistinguono il modello Brent; disponibile in versione divano lineare o componibile, sia fisso che con il letto.

An agreeable, sober design, designed to provide the greatest comfort while sitting, and lumbar support. These are the characteristics of the Brent model, available in the finished sofa or modular versions, both fixed and sofa bed.

180 PAG.

RALF

Grazie alla doppia profondità e altezza, Ralf è il modello ideale sia per chi ama lo schienale alto e un appoggio profondo sia per chi predilige un comfort più composto.

Thanks to the dual depth and height, this is the ideal model for those who want a high backrest and a deep support, as well as for those who prefer more sober comfort.

190 PAG.

NETTUNO

Inconfondibile nel comfort e nello stile, Nettuno si distingue per la forma anatomica dei cuscini dei braccioli e di schienale. Sono composti da due imbottiture di differente volume che garantiscono la massima comodità.

Unique in comfort and style: Nettuno stands out from the crowd thanks to the anatomical shape of the backrest cushions padded with two different volumes to guarantee the greatest comfort.

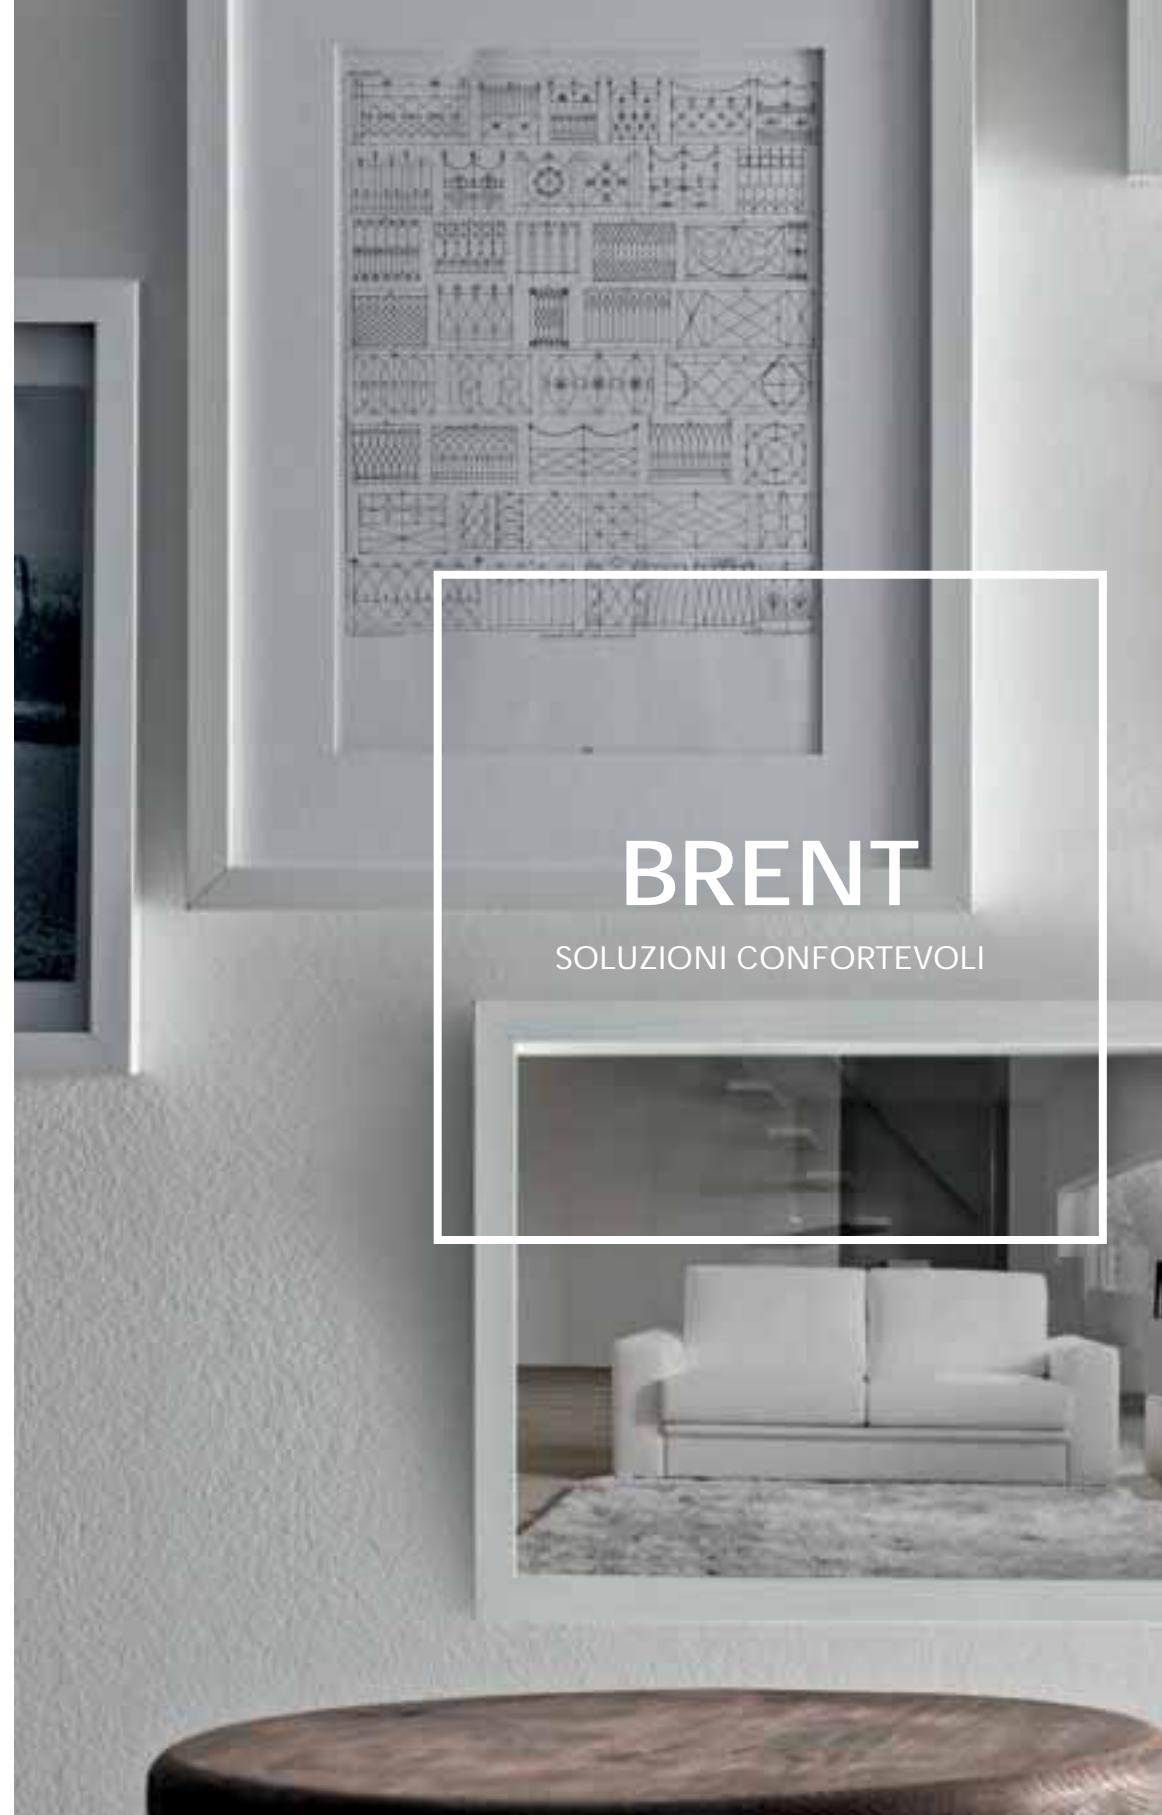

198 PAG.

MONET

Come evoca il nome, questo divano è un omaggio al maestro della pittura impressionista. La parola chiave di Monet è la "raffinatezza" del disegno.

As suggested by its name, Monet is inspired by the master impressionist. "Sophistication" is the key of the design.

CARATTERISTICHE: Il modello Ralf è realizzabile sia in versione componibile che a divano finito. L'unione degli elementi è garantita da comodi agganci in metallo posti sotto la struttura. La seduta e il cuscino di schienale sono realizzati in poliuretano espanso, rispettivamente nelle densità di 30 Kg/mc per la seduta e 18 Kg/mc per il cuscino di schienale. Il comodo cuscino di schienale sagomato consente di variare l'altezza dello schienale e la profondità della seduta con estrema facilità. Il modello Ralf non prevede il rivestimento in coordinato.

FEATURES: Ralf is available both as a modular unit and as a single, nonmodular sofa. The elements are conveniently held together by metal hooks located under the structure. The seat and backrest cushions are made from undeformable expanded polyurethane foam with a 30 Kg/m³ and a 18 Kg/m³ density respectively. The special, comfortable, moulded backrest cushion makes it extremely easy to adjust the backrest's height and the seat's depth. No coordinated covering is available for the Ralf model.

L'AZIENDA

THE COMPANY

Doimo Salotti è un'azienda storica nel panorama degli imbottiti di qualità. Da 50 anni opera nella produzione di divani in tessuto e pelle con uno sviluppo costante ed equilibrato, determinando una posizione di primo piano sia per potenzialità produttiva che per aspetti commerciali. Questo significa poter disporre di tecnologie produttive all'avanguardia e costantemente aggiornate, di una ricerca di materiali e soluzioni tecnico-progettuali ai massimi livelli che consentono di produrre con il migliore rapporto qualità/prezzo oggi possibile. Inoltre, le costanti collaborazioni con architetti e designer, rendono nelle nostre collezioni, perfetta la sintonia tra esigenza del consumatore e moderne proposte d'arredo. Un connubio storico che si riassume in tutte le collezioni d'imbottiti Doimo Salotti.

Doimo Salotti has a long history in the upholstered sofas production. Over 50 years of experience in producing sofas in fabric and leather with a constant and balanced development, resulting in a leading position for productive capacity and sales results. Having the latest technology with a constant updated production technology, searching for materials and technical-design solutions at the highest levels allow to produce the best quality / price balance possible today. In addition, the constant collaborations with architects and designers make our collections the perfect harmony between consumer need and modern furniture solutions. A union that is common in all Doimo Salotti collections.

" La nostra esperienza, il vostro divano. "

" Nel rispetto della natura. "

L'AMBIENTE

THE ENVIRONMENT

I salotti Doimo sono realizzati nel massimo rispetto per l'ambiente e con una prioritaria attenzione per la salute ed il benessere del consumatore. Questo è un valore fondamentale per Doimo Salotti. Per questo nelle imbottiture viene utilizzato poliuretano espanso ricavato con procedure produttive che non arrecano danni all'ozono. La struttura di divani, poltrone e pouf è realizzata in legno, materiale ecocompatibile, biodegradabile e riciclabile. Alcuni modelli, inoltre, sono imbottiti con piuma naturale sterilizzata.

Doimo's lounge sets are produced with the utmost respect and attention for the environment and the health and well-being of final consumers. These are for Doimo essential values. This is why the paddings are in expanded polyurethane obtained through a processing that does not damage the ozone levels. The structure of sofas, armchairs and poufs is in wood, an eco-friendly, biodegradable and recyclable material. Furthermore, some models are padded with natural down sterilised.
